

PRODUCT SPECIFICATION SHEET

ColorCrest®

BY FIBERLOK

A single color low profile flocked graphic product that brings texture to your logo. It reproduces finer details than our other flocked products.

Description

ColorCrest is a single color low-profile flocked graphic product that brings texture to your logo. It reproduces finer details than our other flocked products, offers superior abrasion resistance, withstands 50+ washes for durability and delivers consistency across various substrates. The product is lightweight, flexible and applies in 20 seconds or less.

Options

12 Stock colors

White 01

Yellow 02

Gold 20

Dark Gold 21

Kelly Green 06

Dark Green 17

Royal Blue 07

Navy Blue 09

Red 04

Maroon 95

Brown 15

Black 10

Backing

- Heat Transfer - applied with a heat press

Best Uses

ColorCrest is your solution when you have a single color logo that you want to differentiate with a soft, low-profile aesthetic. Use it where a screen print can't supply dimension or withstand multiple washes and embroidery won't display the detail you need.

DETAILS

Minimums

- Order quantity: 200+ (stock colors)
- For designs greater than 20 square inches, minimums may be less

Size Specifications Min/Max
