

ColorCrest®

ONE-COLOR FLOCK GRAPHICS

A step up from a flat transfer, this single-color, low-profile flocked graphic offers texture and professionalism to your logo.

Description

ColorCrest® is a single-color, low-profile flocked graphic product that brings texture to your logo. It reproduces finer details than our other flocked products, offers superior abrasion resistance, and withstands 75+ washes for durability. The product is soft, lightweight, flexible and applies in 20 seconds or less.

Backing

- Heat Transfer - applied with a heat press

Best Uses

ColorCrest® is your solution when you have a single-color logo that you want to differentiate with a soft, low-profile aesthetic. Use it where a flat transfer can't supply the necessary perceived value or dimension, and embroidery won't display the detail you need.
